### The Wedding of Gabriella & Craig at Chessgrove Park

Decorated with rustic accessories, delicate centrepieces and bespoke favours, Gabriella & Craig added a personal touch to the setting, creating a wedding that was charming, stylish and beautiful in its simplicity.

The happy couple and their guests spent the afternoon playing games on Chessgrove Park's lawns, enjoying delicious crêpes from The Little Camion Company, served out of their gorgeous vintage van.

Gabriella and Craig included a photo area in their design and furnished it with straw bales, leaving plenty of room for group photos and all manner of poses!

As evening fell the music began, with minimal noise restrictions and plenty of space for dancing, Chessgrove is the perfect place to party.

"Chessgrove was the ideal place for our wedding, the beautiful countryside was perfect for photos and the marquee was sublime."
